**CURE OBJECTION AND CLARIFICATION BY GENSLER
[CURE AMOUNT ONLY]**

GENSLER ARCHITECTURE, DESIGN & PLANNING, P.C (listed in GM's Purchase orders as "Gensler, Inc.") and GENSLER INFORMATION SYSTEMS, INC. (collectively "Gensler") file this Cure Objection and Clarification, seeking to clarify the amount of cure identified as to Gensler's executory contracts with Debtor General Motors Corp. ("GM"). Gensler's cure objection and clarification is only as to the amount of cure owed to Gensler. Gensler does not otherwise object to the proposed assumption and assignment of its executory contracts with GM.

Gensler has entered contracts with GM for the provision of architectural and interior design services, strategic planning and consulting, and also for the provision of certain database services relating to space planning and strategies for GM facilities. These contracts, and amounts due under them to date, are identified as follows. In addition to these amounts, additional payments will be due to Gensler for additional work under these contracts.

<i>Contracting Entity</i>	<i>Contract</i>	<i>Amount Owed</i>
Gensler, Inc Vendor #94-548-5704	October 22, 2008 GMFI Area Blanket Order PO #GMB08080 [Administrative Support for Dealer Design; Additional Administrative Support Services]	\$49,600.00 [Note: this amount is already listed in the Notice to Gensler]
Gensler Inc Vendor #94-548-5704	October 22, 2008 GMFI Area Blanket Order PO #GMB08080 [Dealer 100% Rebill Consultations]	\$50,000.00
Gensler Inc Vendor #94-548-5704	March 16, 2009 GMFI Cadillac Visioning Session PO #GMS33263	\$30,000.00
Gensler Information Solutions, Inc. Vendor# 94-5	March 16, 2009 General Motors Corporation Facility Image Program Tracking Website	\$112,500.00 [lump sum for development] \$24,000.00 annually starting May 2009 – invoiced at the start of the period [Certain services completed with invoices pending, and other services and invoices to be completed]
Total: \$266,100.00		

The Notice of Debtor's Intent to Assume Executory Contracts issued to Gensler identifies a total cure amount due of \$49,600.00 (the first entry shown in the table above). As shown on the table above, however, this amount is incomplete. Accordingly, Gensler's Cure Objection requests that this cure amount be updated to reflect the total cure amount due, so that the cure is paid in full and adequate protection is made for all future work performed by Gensler.

Respectfully submitted,

 *Mark A. Waite by permission LL*
